

CPFA Classic - Elite Auction

At this years CPFA Classic we will be holding a very special Auction on Sunday morning Feb. 2nd. This offering will be birds we can all be proud of - birds of high enough quality that will promote the breed and the fancy. Birds from the very heart of each fanciers breeding program. The fancier will receive 70% of the sale price, 20% will go to the respective specialty breed club and 10% will go to the Sarnia host club. The Specialty clubs have been working with us to get birds for this auction and we have had great support. Anyone wanting to consign birds can contact Brian Pogue at legacyfans@rogers.com or Clint Robertson at clint@jacobins.ca In addition to the birds listed below and on the next page, we will have more in other breeds as we continue to get consignments of top quality.

A Pair of exceptional Black Tiger Brunner Pouters from Jerry Sindelar

A pair of Proven Yearling Red Voorburgs from Justin Robertson

A Pair of 2013 Blue Exhibition Homers from Clint Robertson. Well suited for each other. Now considered by many to be a rare Breed.

902-12

I will offer one on my finest pairs of Jacobins. This will be a yearling Yellow cock #902-12 and a young Yellow hen #529-13. This is as good as any pair I will be breeding from in 2014. 902-12 fertiled everything last season and produced 10 young yellows for me. I will be breeding from 6 of them. The other four have already gone to 4 different prominent U.S. breeders. This is a fantastic cock who breeds superior offspring with hard smooth feather and great station. As a mate for him I have selected 529-13 who is a daughter of the 2012 Des-Moine Grand Champion yellow cock. This is a powerful young hen well suited for 902. As good a pair as I have ever offered from one of the premier families of yellows in the world today. Clint Robertson

529-13

Pair of 2013 Brown West of England Tumblers from Max Moar
